THE CANNABIS RX PROGRAM IS NOT INSURANCE. The Program provides members with discounts on marijuana as well as network contract rates for the cost of prescriptions. The Program does not make payments directly to the dispensaries or to providers of prescription services. The Program member is obligated to pay for all services but will receive discounts on marijuana purchases and network contract rates on prescriptions from those dispensaries and prescription providers who have contracted with the organization.

Program administered by PRAM Insurance Services, Inc.

How it Works

- ✿ Enroll in the program through PRAM.
- ✿ Receive your Welcome email from PRAM which will include your ID card.
- ✿ Receive Welcome email from Novus on your effective date.
- ✿ CBD products must be purchased through your account on the Novus website.
- ✿ THC products can be purchased directly at the dispensary location or directly on their website.
- ✿ Use PRAM's Dispensary Locator (link above) to find a participating dispensary near you.
- ✿ Manage your monthly program through your account on the PRAM website.
