

2022 RxBALANCE "SIGNATURE" FORMULARY

The following list contains both brand and generic drugs that are available to members of the RxBalance Prescription Plan. The BRAND name drugs (listed in all CAPS) and generic drugs (listed in lower case) are available at a copay up to the monthly maximum benefit of the plan. All drugs not contained on this list are not eligible for the copay benefit, however, are eligible at PRAM's discounted rate. Please refer to your benefit materials for Limitations and Exclusions; Quantity Limits per copay may apply to certain medications. This list is continually evaluated and changes can occur at any time. Please contact PRAM to confirm the most current drug list. We encourage you to share this list with your physician at the time of your treatment.
