

# 2020 RxVALUE "AFFORDABLE" FORMULARY

The following list by drug category contains generic drugs that are available to members of the RxValue prescription Plan. The generic drugs (listed in lowercase) are available at a copay up to the monthly maximum benefit of the plan. All drugs not contained on this list are not eligible for the copay benefit, however, are eligible at PRAM's discounted rate. Please refer to your benefit materials for Limitations and Exclusions. Quantity limits per copay may apply to certain medications. This list is continually evaluated and changes can occur at any time. Please contact PRAM to confirm the most current drug list. We encourage you to share this list with your physician at the time of your treatment.
