

# SPECIALTY DRUGS ARE EXPENSIVE!

This **NON-INSURED** membership program helps participants navigate the complex and expensive world of specialty drugs. Patient Representatives will pair participants with the best possible program to bring down the cost of their expensive medications by providing access to co-pay assistance programs, international sourcing, and charitable foundations.

Patient Assistance Programs (PAPs) are also available if the participant qualifies.

## RxBOOST

This program is  
designed to provide  
participants with the  
ability to afford and  
obtain their critical  
medications.

## GETTING STARTED IS EASY!

### POTENTIAL SAVINGS

- ✓ **Patient Assistance Programs:** Up to 100% savings on the total cost of the medication
- ✓ **Copay Assistance:** Up to 95% savings on the total cost of the medication
- ✓ **International Sourcing:** Up to 60% discount off market price for the medication

All medications over a retail cost of \$1,000 will require a prior authorization. In order to maximize the value of your membership, follow the steps below.

- 01 Once your doctor prescribes a high dollar medication, reach out to the RxBoost team right away to ensure that the prior authorization and processing of your medication is expedited properly.
- 02 A designated Patient Representative will help you find the most cost-effective way to obtain your medication!

This program pairs very well next to any of PRAM's other products for participants that have a need for a regular well-rounded prescription product, but also need to tap into specialty medications.

**THIS PROGRAM IS NOT INSURANCE.** The Program provides access to discount services. The Program does not make payments directly to the providers of the discount services. The Program member is obligated to pay for all services but, will receive savings from those providers who have contracted with the organization. Upon request, the Program administrator will make available a complete list of Program providers in the cardholder's service area. This information can also be found online at the website below.
